Clydesdales at Marina Village

Fort Myers Beach again welcomed the Clydesdales last Friday.

It was a beautiful fall day and lots of people came out to enjoy their quiet majesty as they -- and yes: the alert Dalmatian -- paid us a visit.

Amendment 2 in Florida

For Florida voters, Amendment 2 on the November ballot affects Marina Village.

This Amendment, if passed, caps potential property tax increases. A vote in favor of this item is a vote to control our costs. Thank you.
