

Check out our new website!

We have just launched a new website!

It has been re-built using up-to-date technologies for easier viewing on phones and tablets, not just PCs. Check out the Owners page to find up-to-date sales and swap offers.

Thanks go out to Laurie, Lisa, Taki, Matt and Rich for making the property so beautiful that it was easy to show off in pictures. And kudos to Lauren for spearheading this project.

We welcome your feedback!

A little history lesson

Let me share with you an interesting story I recently received via email.

[Short FMB History](#)

In it, a long-time resident of the Beach "tells tales" about many people and places who shaped our town.

During times of great change, like we're facing nowadays, it's refreshing to revisit the past and see the everyday actions and motivations that step-by-step created today's world .

That's all from me now... short and sweet!

On behalf of the Board of Directors and our whole Management staff, I hope you are enjoying your summer wherever you are!

Rest assured we are hard at work keeping Marina Village ship-shape for your next visit.
