

Timeshares Remain Closed Under Florida Phase 1 Rules

Hello --

Governor DeSantis has mandated that Timeshare Resorts, along with vacation rentals, are prohibited from taking reservations or checking in guests. The suspension is in effect until further notice.

This order applies to Owners or their Families, as well as Renters and Exchangers.

We are monitoring the situation non-stop and the moment something changes, our valued Owners will be the first to know.

In the meantime, we continue to deep clean the units and maintain / improve the property, including installing ceiling fans on all the lanais and some new appliances.

As I stated in our last newsletter, we understand how unfortunate this is for owners who lose the use of their weeks. In fact, 4 of our 5 Directors are losing use of their spring weeks, myself included.

Stay safe and healthy. We look forward to welcoming you back as soon as regulations permit.

Sincerely,

-- Paul Rosen

P.S. By the way, RCI appears to be accepting deposits of unit-weeks impacted by the pandemic. So if you're an RCI member, you may want to try to bank your week.
