

## Owners-Only Policy Extended

Your Marina Village Board has been meeting regularly to assess the evolving pandemic and to chart the best course to protect the health and safety of our staff and guests.

On Thursday, the Directors unanimously decided to continue our OWNERS ONLY policy through the end of the year. They also committed to review this decision monthly and to revise it as appropriate.

This policy means that **we invite Owners and their families from safe states to come stay in their units or to rent.** Until further notice we are not checking in the general public -- either as exchangers or renters .

- *NOTE: Florida's Governor currently defines New York, New Jersey and Connecticut as high-risk states. This list may shrink or grow at the Governor's discretion.*

Laurie and Lisa continue to call all Owners in advance to know who is coming and to explain the new rules we've put in place at Marina Village for everyone's safety. Feel free to contact them at the Office to learn more.

## OUR LANAIS JUST GOT EVEN COOLER!

One of this year's projects was to install ceiling fans with lights on all the lanais.

The feedback has been super positive already. Board President Cathi Clark mentioned that the fans have especially improved the comfort of the lanais in the inside units (-02, -03 or -04).

Each fan and light is controlled by a timer switch, so you can stay cool and hydrated without heating up our electric bills. What's not to like?

## CHECK OUT THE NEWEST FUN-FEATURES ON OUR WEBSITE!

We have added a little video to our home page that shows off Fort Myers Beach and prominently features our property. You can find the video on the home page, under the featured photos.

Also, under the tab labeled "Our Resort", there is also a neat 360-picture to interact with.

Enjoy!

The screenshot shows the website for Marina Village at Snug Harbor. The header includes the logo and navigation links: HOME, CONDOS, OUR RESORT, MV OWNERS, NEWS, CONTACT US, and a search icon. The main content area features the title "MARINA VILLAGE AT SNUG HARBOR" and a sub-headline "Watch Our Birds-Eye Tour". Below this is a video player showing an aerial view of the resort. To the left of the video, there is a short paragraph of text describing the resort's amenities and location.
