

MARINA VILLAGE BREEZE

May 28, 2021

Two Important Announcements

Hello, Marina Village owners!

Today's issue of the Breeze is a brief "news flash" to share two important and timely announcements.

FIRST --

The Board of Directors has decided to welcome members of the public to our resort again, effective immediately.

This means we are now accepting **public renters** and also processing exchange requests with **RCI and Interval**.

SECOND --

We have changed how we handle after-hours calls for lock box questions or other assistance. *Of course, if you have a life-threatening emergency after hours, you should always call 911.*

Please delete our old "800" number from your Little Black Book (or electronic contact list!) and replace it with this new number :

239-336-9702

You'll also find this number in several places on our website.

On another note, OMG! Have you looked recently at our list of [units for sale](#)? The shelves are practically bare!

Perhaps you have thought about selling your timeshare "when the time is right". Well, the Florida real estate market is very hot right now and we are also seeing increased demand and record prices at Marina Village.

Contact Laurie Russell to take advantage of this bullish market.

Have a safe Memorial Day weekend... We look forward to seeing you on your next vacation to Marina Village!
