## **ROAR OFFSHORE 2021**

The ROAR OFFSHORE National Championship races are back in Fort Myers Beach, this year scheduled in the Gulf for Friday and Saturday.

This is one of America's popular celebrations of noisy, high-speed racing and it kicked off last night with a live band in Bayside Park and a Boat Parade on Old San Carlos Blvd!

The picture above was taken from our roof, where a small group of residents gathered to enjoy the whole show.

Of course our roof had the best seats in the house to see the boats-and-trailers first on the bridge and then lining up in the street below for the parade... plus even a helicopter at eye level! Toward the beach in the distance you can see one of the Margaritaville construction cranes.

The St. John family and their guests treated all of us to VERY YUMMY homemade gumbo, tortellini skewers and prosciutto-wrapped asparagus. Thanks so much, guys!

Well, this newsletter is just a quick reminder of the fun energy happening at the Beach. You will be hearing from us again soon: it's almost that time of year when we write and mail the Annual Letter.

And if you're thinking of selling your unit-week to capitalize on the hot market here in Florida, give Laurie Russell a call at the Office soon!

Stay safe and healthy and have an enjoyable Fall!  
With warm regards,  
Lauren Dillard, CAM
