

Marina Village **BREEZE**

Thanksgiving, 2022

Feeling Thankful

In early September, a carpenter installing the new flooring in our bedrooms took drone and interior video of Marina Village and our surroundings. He edited it after IAN hit and sent it to Laurie as a gift to us all.

Yes, it's bittersweet to see the "old Fort Myers Beach" in this footage since so much changed in a blink of an eye (-of-a-hurricane).

But I think this holiday is a perfect time to share this, so we all collectively remember what we cherished, how fortunate we are, and what we're working to recreate.

Happy Thanksgiving,
-- Lauren Dillard, CAM
