

Marina Village BREEZE

BEST LAID PLANS

Good morning fellow Marina Villagers,

A quick update as I'm sure you're all no doubt thinking about Marina Village and Fort Myers Beach.

The **first good news** is that we dodged a bullet, damage was minor and we're still expecting to re-open this Saturday. The new pool railing and Bahama shutters were scheduled to be installed yesterday and hopefully will happen tomorrow. The new stair railings will be installed next week instead of this week.

The units are in the final stages of preparation for welcoming everyone back. We've still got work to do and will for a while, but our first priority is getting your units ready.

The **second good news** is that preparing for this hurricane identified additional procedures, equipment and material needed to quickly and soundly secure our resort regardless of what comes our way. Hurricane Idalia was a great "lessons learned" experience.

That's it for now, we're all-hands-on-deck finishing up for our Saturday opening.

Thanks again for ALL your support!

On behalf of Laurie, Taki, Jose, Lauren and our Board of Directors,

-- Paul Rosen
